Deuteronomy 4: The One and Only God

- ***Knowing who someone is affects the way you treat them***

There is only one God so do what He says (v.1-14)

...the alternative is idolatry (v.15-20)

...the result is punishment (v.21-31)

...the offence is rejecting God's love (v.32-40)

What will you do in the place of decision?
