First named leader of each group to organise programme for that Sunday; liaising with other leaders and delegating as required.

The name in the 1st Half column is the person who is responsible for leading the altogether time, for Adventurers, Discoverers and Pathfinders

If you cannot do any of the above Sundays please do see me so we can arrange another leader to be there.

Thanks for all your commitment and hard work. Please shout if I can help in anyway.
